GENERAL INFORMATION FOR APPLICANTS

- Rocky Hill Cooperative Nursery School is run by parents. Traditionally, this cooperation has included 5-7 days per school year in which a parent of an enrolled student attends class, assists the teacher with a variety of duties, and brings the day's snack. This responsibility is called "being a Helping Parent." Parents have the opportunity to opt out of this responsibility for a fee.
- Traditionally, "Helping Parent Days" are Mondays and Wednesdays, or what we call "Big Group Days." On the other days, or "Small Group Days," parents are assigned to bring snack. On your assigned snack days, you will drop off snack when you drop off your child.
- All parents, even those who choose to opt out of Helping duties, are required to participate in the cooperative nature of the school. This involves being on two committees, occasionally volunteering to drive and chaperone on field trips when possible, contributing food or supplies for class parties, and providing snack on Helping days and Small Group days
- Students **MUST** be toilet trained by the time they start school in September.
- Parents may **NOT** bring other children, older or younger, when they are the helping parent. Siblings may not attend field trips.
- Helping parents **MUST** be a parent or legal guardian, **NOT** another relative, friend, or babysitter.
- The school's by-laws state that parents who withdraw their child from school for reasons other than health are responsible for tuition until a replacement is found for that child.
- Classroom observations and visits may be arranged by contacting the Registrar, Allyson Weber, at registrar@rhcns.org.
